WASHINGTON, Nov. 15.—A call will be The Well Known Bace Track Starter Shot While Astempting Marder, Sr. Louis, Nov. 18 —Col. John Chiun, ssued very soon for a meeting of the se appropriation committee at noon, Monday, November 28 next. This will returned a day or two ago from Chicago, where he had been handling the The East St. Louis Jockey club, which holds a contract with Chinn, had

onsented to the arrangement, but on of Columbia, the pension and the fortifications appropriation bills by November 28, there seems to be no good reason ber 28, there seems to be no good reason why the house should not have one at east of these appropriation bills ready the democrats will have a majority of for its action as soon as it meets.

The exceedingly heavy payments made by the treasury in the first quarter of the present fiscal year have caused some dismay among the members of the appropriations committee. For the first four months of the year these payments have exceeded by \$16,-000,000 the expenditures for the corresponding period in the preceding fiscal list state and electoral delected through the state and electoral delected by a majority of probably been elected by a majority of probably west virginia.

Days demonstrate for Cleveland by about 3,500. Legisfor the second race when Chinn appropriations for the last year. In plain English that means (if the estimates of the committee hold good) a deficiency on account of pensions of \$36,000,000, which will have to be met by congress at the next session, in addition to an appro-priation for pensions for the next fiscal year of certainly not less than \$150,000,-

So the total appropriations that congress must make for pensions next ses-000,000. With this enormous sum added deficiency in the national account.

THE NEXT CONGRESS.

Forecast as to How the Next Senate and House Will Stand. WASHINGTON, Nov. II.—An analysis of the congressional election returns shows that with returns missing from twenty districts, in which the result is either unknown entirely or is very close, the democrats have elected to give the committee about a week's time in which to prepare some of the regular annual appropriation bills for the action of congress when it meets for the second session.

Close, the democrate parameters for the seats in the house of representatives for the Fifty-third congress eighty-eight more representatives than the republicans. This majority does not include It is the purpose to push rapidly all nine members-cleet who are classified as either fusionists or third party of the government next year, and as the transfer of the purpose of whom will be transfer or the purpose of the purpose the treasury department has promised to submit the estimates for the District posed reduction of fariff taxes. Their support, with the additional strength the democrats are certain to derive

portant question likely to come before

the next house of representatives, viz.: a revision of the McKiuley tariff law. A number of the fusionists are also thoroughly in accord with the democratic policy as far as it goes on all other questions. For instance, McLaurlin, of South Carolina, and Pence and Bell, of Color-ado, who are classified with the third party men, are in general accord with the democratic platform, save that on the currency question the first has alliance ideas and the two last named are radical free coinage men. Three out of four of the fusionists elected in
